-This is only the price for a base map, which consists of property lines. Other layers can be printed for an additional cost of \$5.00 per layer. Layers that are currently available are:

- Flood Plain
- Topography
- Soils
- Soils-Hydrography
- Land Cover
- Zoning
- Future Land Use Plan
- Water Features
- Major Roads
- Edge of Pavement
- County Line
- County Tax Map Index
- Ag & Forestal Districts
- VOF Easements
- Water & Sewer Lines
- Buildings
- Voting Precincts
- Magisterial Districts

Digital Files

Digital files are sold by the 400 scale tax map sheets, except for the property lines layer. The property line files are sold by all of the tax map sheets. Also some layers have county -wide coverage. Files are sold in either Autocad (DXF), Arc Info (e00) or MapInfo MID\MIF, and the aerial photos are sold in (tif) format.

- There are 228 400 scale map sheets
- There are 405 maps that constitute the parcel layer

400 Scale Map Layers:

- USGS Topography
- 5 Foot Contours
- Soils
- Soils-Hydrography
- Aerial Photos

Files Sold in County Wide Coverage:

- Flood Plain
- Water Features
- Zoning
- Service Districts
- Major Roads
